Boat # 2899

- Departure from Camau (VN) on June 17th 1979 at 20:00.
- Arrived at Song Ong Doc estuary at 04:00 June 17th; left Song Ong Doc at 09:00.
- Met with storm (rain, wind, very big waves) at 17:00 the same day.
- Came back to Poulo-Obi (VN) Anxuyen (now Minh Hai) Province.
- Storm lasted for 4 days must stay on Poulo Obi, (Methodically and scientifically robbed by VC Marine guarding the lighthouse

of Paulo Obi (02 new-born)

- 1 ounce of gold = 150 VN\$ while in Camau 1 ounce is sold VN\$ 3,000. (44)
- a can of milk costs 60\$ four times more than in Camau)
- Left Paulo Obi on June 24th → met with storm at 17:00
- Came back to Paulo Obi ~~the same~~ that night and stayed there for 12 days (very bad weather, storm?)
- Left Paulo Obi on July 5th at 6:00 am at noon arrested by Rach Tau Coastal

Guards stayed in Rach Tau Hamlet (Cape of Camau) renowned by its mosquitoes

- Left VN for the fourth time on July 12th at noon.
- Plundered by Thai pirates at 17:00 the same day motor-boat #4 gave us Thai cigarette (proof) search/plunder under threat composed of about 20 Corsaires equiped with 1 Carbin M-1, 4 grenades, axes, Knives.

- Released on July 14th and at 1:00 p.m. accosted by 2 Thai motor boats #1 and #1524 equipped with Radar and Radio Transmitter/Receiver.
- Are plundered under gun for the 2nd time.
- Released at 10:00 a.m. July 14th, at night are arrested by Thai boat "SONG KHLA 107189" and are despoiled entirely completely.

As for me: "Il ne me reste qu'un seul caleçon"

WHO ARE RESPONSIBLE?

1. - VC / boat owner,
2. - Thai Government
3. - The Free World.

and WHO'LL RESCUE US?

- Released by Thai pirates on 15th July at noon met with rain and great waves during all the night.

A little breakdown at about 4:00 a.m. July 16th. Started again at about 6:00 a.m.

8 Afar see a moving
point (at about
02:00 pm? Where
is my watch? In
a Thai pocket.)

Are we approaching
Malaysia coast?

Will we be allowed
to land?

* This morning each
person was distribu-
ted only a glass
of water for all
this day.

No more rice? food?
I'm not sure. But
certainly there is
lack of water.
How long shall we
endure this misery?

DIEU SEUL LE
~~SAI TO~~ SAI TO!

At about 15:00 on
July 18th we see
an isle afar.

What isle?
Poulo Fidon?
